

## **Endocrine Mentor Day (eMD) Sunday, July 13, 2025**

### **Frequently Asked Questions (FAQ)**

#### **1. What is Endocrine Mentor Day (eMD)?**

eMD is a program designed for medical students and residents interested in endocrinology. It will be held on Sunday, July 13, during the ENDO 2025 conference in San Francisco. Participants will be paired with a mentor endocrinologist and will experience hands-on learning, networking opportunities, and exposure to the latest advancements in the field.

#### **2. What is ENDO?**

ENDO is the top global meeting on endocrinology research and clinical care, hosted annually by the Endocrine Society. ENDO provides the opportunity to collaborate with an unparalleled group of endocrinologists, health care practitioners, and scientists who lead our field.

#### **3. When and where will eMD take place?**

eMD 2025 will take place on Sunday, July 13 at the Moscone Center in San Francisco, CA. A more specific location will be provided to those registered as we approach the date of the event.

#### **3. Who is eligible to participate in eMD?**

Medical students and residents who have an interest in endocrinology are eligible to register. This event is first come, first served and is filling up quickly! [Register now](#) to reserve your spot.

#### **4. How can I register for eMD 2025?**

Registration for eMD 2025 is available on the Endocrine Mentor Day [website](#) now and closes **Wednesday, May 14**.

#### **5. Is there a fee to participate in eMD 2025?**

There is no fee to participate in eMD 2025 and participants will receive one-day complimentary registration to the annual meeting. Breakfast and lunch will be provided.

## **6. What can participants expect from eMD 2025?**

Participants will have access to:

- Interactive workshops and case discussions with the latest devices
- Mentorship sessions with experienced endocrinologists
- Networking opportunities with peers and professionals
- ENDO 2025 conference sessions
- A complimentary membership to the Endocrine Society through December 2026

## **9. Who can I contact for additional questions?**

For more information, please contact Ellie Cliff at [ecliff@endocrine.org](mailto:ecliff@endocrine.org) or visit the [eMD website](#).

We look forward to welcoming you to eMD at ENDO 2025!
