

Insulin Affordability Campaign: Sample Tweets for Social Media

Personalize the sample tweets below by tagging your two Senators. Please tag the Endocrine Society in all posts (@TheEndoSociety).

.@YourSenator1 and @YourSenator2 I urge you to support the INSULIN Act so that all people with private insurance can access affordable insulin. #insulinaffordability #diabetes @TheEndoSociety

Insulin is a lifesaving drug for people with diabetes, but it remains unaffordable for many. @YourSenator1 and @YourSenator2, pass the INSULIN Act to make insulin more affordable for people who rely on this life-saving medication. #diabetes @TheEndoSociety

As a physician who cares for people with diabetes, I urge you @YourSenator1 and @YourSenator2 to support the INSULIN Act so that insulin can be made more affordable for all patients who rely on this lifesaving drug. #insulin affordability @TheEndoSociety

I'm urging the Senate to pass the INSULIN Act as soon as possible so that patients with private insurance can have access to affordable insulin. Join me by taking action in @TheEndoSociety online campaign! bit.ly/2TRULVc #insulinaffordability
